### Veterans park dedication planned

**S**alinas war veterans will commemorate Veterans Day and celebrate the completion of part of their new memorial park during ceremonies Sunday.

The ceremony will begin at 11 a.m. at the Monterey County Vietnam Memorial Park at 855 E. Laurel Drive.

The lower part of the park, honoring all local war veterans, has been completed. Officials are still working to finish the Monterey County Vietnam Veterans Memorial. The All Veterans Park will be dedicated on Sunday.

In addition to Veterans Day ceremonies, the group will also commemorate the 227th birthday of the U.S. Marines Corps.

The parks were developed mostly with labor and material donated by 19 local businesses, along with \$13,000 from Creekbridge Homes.
